ISRAEL-SYRIA BORDER TENSION RISES; U THANT BIDS RESTRAINT

FURTHER
CONTRIBUTIONS
TO FORCE
FINANCES

THE UNITED KINGDOM AND AUSTRALIA last week both announced further contributions to the finances of the United Nations Peace-Keeping operation in Cyprus (UNFICYP). Britain will contribute one million dollars (US) for each of the three month periods of the current mandate, due to expire on June 26, and Australia is to contribute \$100,000 to help meet expenses for the ninth period of the Force mandate, from 27 June to 26 December last year.

Announcing the new contribution in a letter to the United Nations Secretary-General, U Thant, Mr Roger Jackling, the Deputy Permanent Representative of the United Kingdom, said that the contribution was a confirmation of the pledge made in the Security Council by Lord Caradon on 15th December, and was in addition to meeting the costs of the British Contingent of the Force.

In a letter dated 20th January, the Permanent Representative of Australia to the United Nations, Mr Patrick Shaw, said that his Government's contribution was in response to the Secretary-General's appeal of June last year for voluntary contributions to meet the costs of UNFICYP.

ARMISTICE COMMISSION TO MEET

FEARS OF A MAJOR CLASH BETWEEN SYRIA AND ISRAEL ALONG THE BORDER BETWEEN THE TWO COUNTRIES LED THE UNITED NATIONS Secretary-General, U Thant, to address urgent appeals for restraint to both parties last week. He also appealed to them to accept, without pre-conditions, a proposal of the Chief UN Supervisor for an extraordinary meeting of the Israel-Syria Mixed Armistice Commission "with a view to reaching an understanding on problems of cultivation in the area which have given rise to the incidents of recent weeks."

Following acceptance by both parties, U Thant instructed the Truce Supervisor, General Odd Bull, to set a time and place for the meeting.

The Secretary-General took this initiative as UN reports from the area told of a large build-up of heavy arms, armoured vehicles and military personnel near and within the Demilitarized Zones on both si-

also took the unusual step of immediately informing the Security Council of this message to the two parties.

Israel's Ambassador, Michael Comay, told newsmen on Monday that his Government was agreeing to the proposal for a meeting of the Mixed Armistice Commission as an extraordinary step, and without prejudice to its position that the Commission generally lacks authority to deal with matters relating to the Demilitarized Zone.

Israel maintains the Zone belongs to her and Syria has no rights in it. There have been no regular meetings of the Commission since 1951. Mr. Comay also said that the questions of cultivation in the area were not the only source of tension between his country and Syria and probably not even the major one.

He said that in the past three weeks Israel had been subjected to seven instances of sabotage raids by terrorists from across the border, to shelling of a village outside the Demilitarized Zone, and to attacks on her boats on Lake Tiberias.

Mr. Comay said the UN

U THANT: Large-scale clash must be avoided

des of the Demarcation Line.

Because of the potential danger, said U Thant, he had advised General Bull to take every step within his authority, including reinforcement of UN Military Observers on both sides of the line, to secure a halt to the build-up and to avoid a large-scale clash. He

IRISH MINISTER ARRIVES

THE IRISH MINISTER OF DEFENCE, MR MICHAEL HILLIARD, accompanied by the Secretary of the Defence Department, Mr Stephen Kearney and the Chief of Staff, Lieutenant-General Sean MacEoin arrived in Cyprus on Monday for a five day visit to the Irish Contingent of UNFICYP (see IRCON news). Below and on page eight are brief sketches of the three visitors.

MICHAEL HILLIARD

Mr. Michael Hilliard, T.D., Minister of Defence of the Irish Government, was born in County Meath. He has been actively interested in national affairs all his life and was closely associated with the independence movement. He was elected to the Dail Eireann (Parliament) in 1943 as deputy for the constituency of Meath-Westmeath and has sat continuously since then. He became Parliamentary Secretary to the Minister of Industry and Commerce in 1958 and reached ministerial status in the following year as Minister of Posts and Telegraphs. Mr. Hilliard became Minister of Defence in a cabinet reshuffle in 1965. He lives in Navan, County Meath, is married and the father of six sons and five daughters.

STEPHEN KEARNEY

Mr. Stephen Kearney is a professional Civil Servant, who has spent all his active administrative life in the Department of Defence. Joining as a junior administrative officer, his marked ability brought him to

DANCONs FODBOLDHOLD TIL DAMASCUS

DANCON HAR MODTAGET EN INVITATION TIL MED SIT FODBOLSHOLD AT SPILLE NOGLE KAMPE I DAMASCUS. Turen ventes foretaget i sidste halvdel af februar, og for at få holdet i så god kampræning som muligt, arrangeres inden da kampe mod sandsynligvis SWEDCON, RAF og et kombineret tyrkisk hold. Den første af disse træningskampe spilles tirsdag den 17. januar mod det tyrkiske hold fra ATAK SPOR på banen ved Kyrenia Gate.

Kampens 1. halvleg var livlig og velspillet, ja vi syntes endda, at holdet spillede betydeligt bedre end det udvalgte FN-hold, der for en halv snes dage siden tabte 3-0 til holdet fra British Army Cyprus, og resultatet af 1. halvleg blev 6-0 til DANCON-holdet.

Tyrkerne var dog ikke så dårlige, som dette resultat kunne tyde på, og det ville nok ikke være ufortjent, hvis de havde fået 1 a 2 mål, men dels var holdet ikke rigtigt med dem, og dels havde den danske mālmand, OS B. Sørensen fra A-kompaniet, nogle udmarkede redninger, hvor man faktisk alle rede havde set bolden i nettet.

I pausen mellem de to halvlege begyndte en meget kraftig regnbyge, som varede det meste af kampen ud, og inden længe var banen en stor mudderpøl. Det vi fik at se i anden halvleg havde absolut intet med fodbold at gøre, hvilket man dog ikke kan laste spillerne

for, thi banen var glat, som var den smurt over med grøn sæbe, og det varede kun kort tid, før de fleste af spillerne var sølet ind i mudder over hele kroppen.

Der opstod de mest pragtfulde situationer, som var en filmfarce af de bedste værdige, og de standhaftige tilskuere, som blev, da regnen begyndte at strømme ned, overværede en særdeles festlig anden halvleg, og jublen blev ikke mindre, da dommeren et par gange måtte stoppe kampen og telle spillerne, idet tyrkerne for morskabs skyld havde 12 mand på banen. Det bedste af det hele var næsten, at heller ikke spillerne havde mistet humøret, og at begge hold faktisk syntes at more sig lige så godt som tilskuerne.

Det endelige resultat blev 15-2 til DANCON, og man kunne glæde sig over en fra begge sider fair spillet kamp, idet de to straffespark,

I sidste nummer af The Blue Beret fortalte vi, at der under den nylig afsluttede helikoptertræning ikke var forekommet andre uheld end kedelige småforbrændinger i håndfladerne. En enkelt var dog mere uhedlig end de øvrige. Det var KS 65951 Niels Krogh, STGR i Aarhus, p.t. KDO-DELIA-KMP, der ved et fald pådrog sig et mindre brud på den højre hånd og en kraftig forstyrning af den ene fod. Han blev indlagt på infirmeriet, hvor han har fået besøg af KS 650801 Frede Andersen fra Louroujina.

Den 19. januar holdt DANCON møde for samtlige signalofficerer ved UNFICYP. Det foregik i KIH-messens lokaler, og her er "konventet" lyneskudt med DANCONs signalofficer, PRLT T. Hansen, STGR, i den lyse sommeruniform i midten. Efter mødets afslutning var der rundvisning og forevisning af forskelligt radioudstyr.

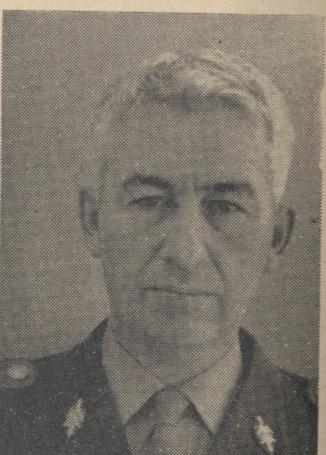

der faldt i anden halvleg med et til hvert hold, nok snarere må tilskrives banens tilstand end spillerne. Som før nævnt spillede vore elvere godt og fornuftigt, medens det endnu var muligt at spille fodbold, så vi ser med forventning frem til resultatet af kampene fremover og af Damascus-turen.

Billederne viser kampen, mens det endnu var fodbold, og da det blev mudderbad.

Vi byder oberstløjtnanten hjertelig velkommen og ønsker samtidigt held og lykke med arbejdet i de næste 6 måneder.

Få dage senere forlader den hidtidige stedfortrædende chef, oberst-

Rusch paa resebyraan

Bataljonens resebyrå verksamhet är nu på väg in i högsäsongen. För att kunna erbjuda ännu bättre service har sergeant Bo Zachrisson nyligen flyttat sin resebyrå med alla dess färgglada affischer och broschyrer till större och bättre lokaler i närheten av sektion 3-baracken på Carl Gustaf Camp. Här ger han resetips till fr v Rolf Persson, Nora, fanjunkare Rolf Johansson, Borlänge, stabschefen major David Hermansson, Stockholm och (längst t h) Erik Branting, Värnamo.

CELEBRA SVENSKAR GÄSTER VID BATALJONEN

EN HEL RAD CELEBRA SVENSKA GÄSTER BESÖKTE BATALJONEN UNDER FÖRRA VECKAN. Det började med generalsbesök på onsdagen, då chefen för armésektionen vid Östra milostaben general major Fredrik Löwenhielm anlände till en snäkall Nicosia Airport tillsammans med G Henricsson, P 10, överste S O Björlin, Sjv och överstelöjtnant J-E Lagercrantz, AstiFN.

Även om gästerna under de två första dagarna inte fick uppleva så mycket av cyprenvärmen genomförde de i alla fall ett program, som säkerligen höll dem varma. Under de tre dagarna här nere besökte de samtliga kompanier, inspekterade en lång rad OP:n och matades med fakta om bataljonen och Cypern vid åtskilliga briefingar, som det heter på cypernsvenska.

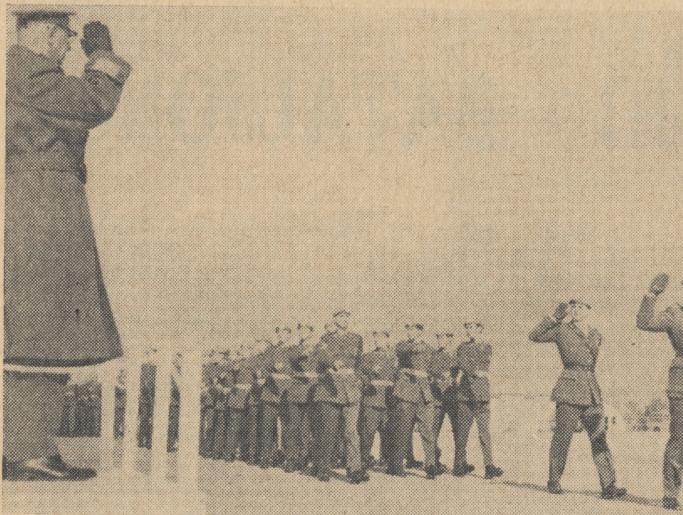

På fredagskvällen utökades raden av gäster med ytterligare tre personer, denna gång inte militärer

utan politiker. Med Herkules - planet medföljde då 2. vice talmannen i första kammaren Ivar Johansson, riksdagsman Anselm Gillström och krigsrådet Åke Gyllenram, samtliga medlemmar av statsutskottet. Under sin enda hela dag på Cypern bjöds också dessa herrar på ett späckat program i vilket bl a ingick besök hos talmanen i cypriskt parlamentet Mr. Clerides och vice presidenten dr. Kutchuk.

Gästboken på Carl Gustaf Camp fick alltså många nya namn i samband med den festliga avskedmidagen på lördagskvällen, då samtliga gäster sammanträde på bataljonens HQ. Som väl var bjöd lördagen på sol och värme, så att alla kunde återvända hem till Sverige på söndagen med cyprinsolsken i blick och intrycken av svajande palmer och mognande apelsiner på näthinnan. Som kontrast till snöslasket därhemma.

42 SQUADRON BID FAREWELL WITH PARADE AND MARCH PAST

Lt Gen A.E. Martola takes the salute as 42 Sqn RCT, led by Major Peter Beacon, marched past the dais at the end of their farewell parade at HQ UNFICYP last week.

Corporal Doug Mussett, of 42 Sqn RCT receives his UN (Cyprus) Medal from the Force Commander. Doug's home town is Burton-on-Humber, Lincolnshire.

1 SQUADRON TAKE OVER TRANSPORT TASKING

ON THE 16TH JANUARY THE TASKS OF UNFICYP TRANSPORT Squadron RCT were taken over by 1 Sqn RCT which has recently arrived from Colchester, Essex. The Squadron is commanded by Major Don Garner, RCT, and has a strength of four officers and 98 other ranks in Cyprus; whilst at Colchester there is a rear party of 5 officers and 150 men.

Before coming to Cyprus, 1 Squadron formed part of 19 Infantry Brigade which is an element of the UK Strategic Reserve's Mobile Land Force. The Squadron has served in many countries in recent years, including Aden, Borneo, Canada, Germany, Greece, Norway and Turkey, so it has considerable experience upon which it can draw when necessary.

2 Lt Adrian Lyons, RCT, receives his UN medal.

THE LAST OFFICIAL FUNCTION IN CYPRUS FOR 42 SQUADRON, RCT, TOOK PLACE ON THE 17TH JANUARY, WHEN THE COMPLETE UNIT PARADED AT UNFICYP HEADQUARTERS UNDER MAJOR PETER BEACON, THE SQUADRON COMMANDER.

The Force Commander, Lieutenant General A. E. Martola, presented the UN (Cyprus) Medal to those members of the Squadron who had not received it during the Unit's earlier tour within UNFICYP. After presentation of the medals, the Force Commander addressed the parade, expressing his "Most grateful and sincere thanks and appreciation" for the efforts made by the members of the Squadron in their role as providers of transport for the Force Headquarters. He added, "You have carried out your work in the true spirit of the United Nations".

The parade then marched past the dais where General Martola took the salute. Afterwards the Force Commander congratulated Major Beacon on the standard of the parade.

42 Squadron left Cyprus on the 19th January to return to UK. After four weeks leave, the Unit will reassemble at Catterick, Yorkshire, to resume its normal duties.

LIFE HAS PRIORITY

PART III

LONG-DISTANCE DRIVING

LONG-DISTANCE DRIVING SHOULD BE EASY, BUT ALWAYS LEAVE AN EXTRA MARGIN OF SAFETY ALL ROUND. PLAN AHEAD BEFORE CHANGING COURSE — SWITCHING LANES OR LEAVING A ROAD — AND CHECK TO MAKE SURE CONDITIONS ARE RIGHT. SUDDEN DECISIONS AND ACTIONS CAN BE DANGEROUS.

THE SIMPLE OBVIOUS RULE, KEEP LEFT, BEARS REPETITION. STAY IN THE LEFT LANE AND, BEFORE TURNING OUT, TO PASS ANOTHER VEHICLE, BE SURE NOTHING IS COMING UP BEHIND AND THAT THE VEHICLE AHEAD IS NOT ABOUT TO TURN OUT TOO. IN ANY KIND OF DRIVING IT HELPS TO KNOW WHAT IS BEHIND. THEREFORE, MAKE FULL USE OF THE REAR-VIEW MIRROR. AND ALWAYS REMEMBER TO USE DIRECTION SIGNALS WHEN CHANGING LANES.

WATCH ROAD SIGNS CAREFULLY.

THE SPEED LIMIT MAY VARY OCCASIONALLY AND, WHEN IT DOES, IT IS FOR SOME VERY GOOD REASON. TRUST IT QUITE LITERALLY. DURING SUSTAINED FAST DRIVING YOU TEND TO LOSE A SENSE OF SPEED. SO CHECK THE SPEEDOMETER FREQUENTLY, AGAINST THE PERMITTED SPEED LIMIT AND ROAD SIGNS.

THESE ARE ONE IMPORTANT CONSIDERATION IN LONG-DISTANCE DRIVING — BOREDOM. DO NOT DRIVE TOO LONG WITHOUT STOPPING. CHANGE YOUR SITTING POSITION OCCASIONALLY. WHEN DRIVING FOR LONG PERIODS, JUST LOOKING AHEAD DOWN THE ROAD, A SORT OF HYPNOSIS EASILY DEVELOPS, AND THE REFLEXES DO NOT REACT PROMPTLY WHEN IT BECOMES NECESSARY TO DO SOMETHING. ALMOST ANY CHANGE OR MOVEMENT WILL HELP TO SNAP OUT OF IT.

THE IRISH MINISTER OF DEFENCE, MR. MICHAEL HILLIARD, TD, WITH THE DIRECTOR GENERAL OF THE DEFENCE MINISTRY OF THE CYPRUS GOVERNMENT, MR. ANASTASIUS AND THE CYPRUS GOVERNMENT'S CHIEF OF PROTOCOL, MR. PELAGIAS.

Jokin aika sitten saarella saapunut YK:n pääsihteeriin erikoisedusta Pierre Pasquale Spinelli vieraili viime viikolla pataljoonassamme. Kuva vieras (keskellä) keskustelee kontingentin komentajan (vas) ja pataljoonaupseerin kanssa. Taustalla rauhanturjajoukkojen komentajan adjutanti kapt. Palosaari.

Sunnuntaina 22.1 pidettiin pataljoonassa liikennekilpailu, jossa otettiin kolmessa sarjassa - moottoripyörät, henkilöautot ja kuorma-autot. Yleiskilpailun voitti pyörällään jääkäri Simanen, joka selvisi vain 11 virhepisteellä. Henkilöautosarjan voittaja, jääkäri Suominen, oli aivan kanoilla 12 virhepisteineen. Kuorma-autojen sarjassa per voiton jääkäri Lintula 16 virhepisteellä. Kuva sf-7 kovilla korkeuden arviointikokeessa.

Kyproksella olevat YK-joukot joutuvat hengellisessä työssä olemaan yhteistoiminnassa saaren paikallisten kirkkojen ja seurakuntien kanssa. Suomen pataljoona on alusta alkaen käyttänyt jumalanpalveluspaikkaan paikallisen anglikaanisen seurakunnan Paavalin kirkkoa (St. Paul Church).

YKSP:n puolesta luovutettu viime perjantaina tälle seurakunnalle alttarin päälystte, johon tarvittavat varat oli koottu vapaaehtoisena lähjana pataljoonassa palvelevilta. Kuva arkkidiakoni Peter Chandler käittelee luovutuksen jälkeen kontingentin komentajaa.

RUOTSALAISET KUKISTIVAT SUOMEN SALAMAPALLOSSA

FAMAGUSTASSA PELATUSSA SALAMAPALLON MAAOTTELUSSA, joka "salama" Mäki-Kuutin mukaan oli korkeatasoinen, minkä hän koskaan oli nähty pelattavan, meni voitto Ruotsille luvuin 5 - 2. Suurempi juoksunopeus oli Svean poikien valtti ja antoi heille melko selvän yliotteen, ja niin sitten kävi kuten kävi. Tappiota ei kuitenkaan tällä kertaa ole vaikka kestää, sillä joka tapauksessa oma joukkueemkin pelasi erinomaisesti, ja miellyttäväntä on, että koko ottelun ajan vallitti rikkomatton reilun pelin henki.

Suomen joukkueessa erottautuivat kersanti Juntila nopeiden läpimurtojensa ansiosta ja jääkäri Lehto ovelana harhauttajana. Maininnan ansaitsee myös ylkerästi Muuri, jonka peli oli harkittava ja tasaisen tehokasta. Maalintekoryksiksi suomalaisilla oli yksi enemmän kuin vastustajalla - menehtimme niitä kolme ruotsalaisten yhtä vastaan-joten mistään yliovimasta ei voida puhua. Revanshien tuntuukin elävän joukkueen yhtä hyvin kuin katselijoidenkin parissa, ja yhdessä ja toisen kuuli sanovan, että Nikosiassa vielä tavaltaan. Saamme sitten nähdä, pystytäänko uusinta-ottelua jokus tulevaisuudessa järjestämään.

Pataljoonan salamapallocup on nyt myös saatettu päättökseen, ja voittajaksi selviytyi yllättäen huoltokomppania, joka kukisti ennakkosuosikin, 2.K:n, myös luvuin 5 - 2. Joukkueen kovat nimet olivat cup-otteluissa ylik. Muuri, jääkäri Ahtiainen ja ylik. Palvalin. Kylmä ja sateinen sää haittasi näitä pelejä pahanlaisesti, ja otteluita jouduttiin jopa siirtämään.

Mainittakoon, että nyt jo takaisin Suomeen matkustaneen "Salama" Mäki-Kuutin saarella viettämänä aikana pelattiin yhteensä noin 2000 mieselituntia. Toivoa sopia, että salamapallo on löytänyt oman pysyvän paikkansa pataljoonan urheiluharrastuksessa.

VIIME VIKOLLA OLI TAAS SUOMALAISTEN VUORO huolehtia Unficyp HQ:n vartioinista. Tällä kertaa osastossa, jonka vahvuus tavalliseen tapaan oli 4 aliupseeria ja 12 jääkäriä, oli miehiä puolel ensimmäisestä, puolel toisesta jääkärikomppaniasta.

Miehet tuntuivat pitävän täästä tehtävästä - tuuhan se vahiteltaa muuten yksitoikkoiseen palvelukseen. Ruoka on kuulemma erittäin hyvä, ja aika kuluu kahden tunnin vartiovuorossakin nopeasti, kun porttien läpi kulkee jatkuvasti vilkkaanlainen liikenne. Joka toinen päivä on pojilla kokonaan vapaa, ja silloin voi käydä vaikka kaupungilla. Vaihto on aamupäivisin kello yhdeltätoista, ja siitä alkaa vapaapäivän jälkeen taas vuorotyo - kaksi tuntia vartiossa ja neljä levossa vuorokauden ympäri, kunnes seuraava aamupäivä tuo taas vapauden mukanaan.

Tämä kuva on Famagustasta, ja salamapallo-ottelu on juuri käyty ja menetetty. Joukkueiden edustajat, Ruotsin kapt. Enqvist ja Suomen jääkäri. Lehto vastaanottavat pelin muistona kunniakirjat valmentajalta, voimistelunpettaja Tarmo Mäki-Kuutilta.

'BIGGEST BUG-OUT' BY GARRYS

FORCE COMMANDER WITNESSES SQUADRON SCRAMBLE

HARDLY PROUD AT ALL, THE FORT GARRYS ENGINEERED THE "BIGGEST BUG-OUT", they believe, in Canadian Contingent history as the entire Squadron 'scrambled' on Friday for the benefit of Lieutenant-General A.E. Martola, of Finland, Commander of UN Peace-keeping Force in Cyprus.

The Force Commander was briefed by Major Gordon Kitchen, Officer Commanding and, after a walk 'round Fort Worthington accommodation, he witnessed the high speed deployment of more than a score of Ferret scout cars and operational vehicles as they roared off from various parts of the compound.

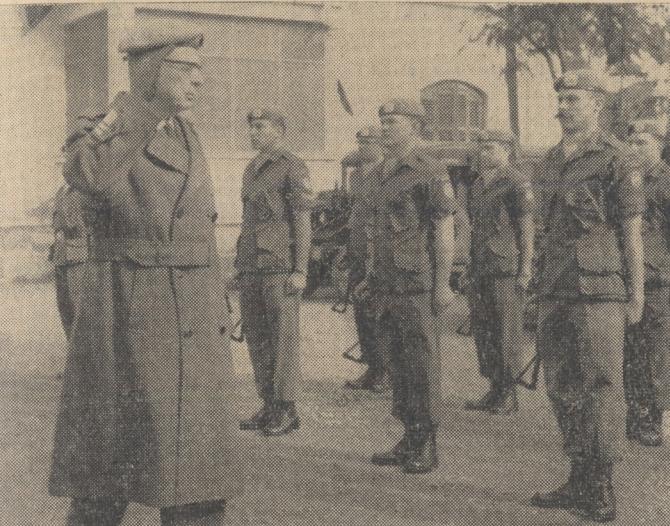

General Martola boarded a Ferret himself and proceeded to Mystery House, one of three outposts on Nicosia's 'green line' for which the Garrys are responsible. Later he returned for further briefing and lunch with the Reconnaissance Squadron.

The Recce Squadron has five main tasks:

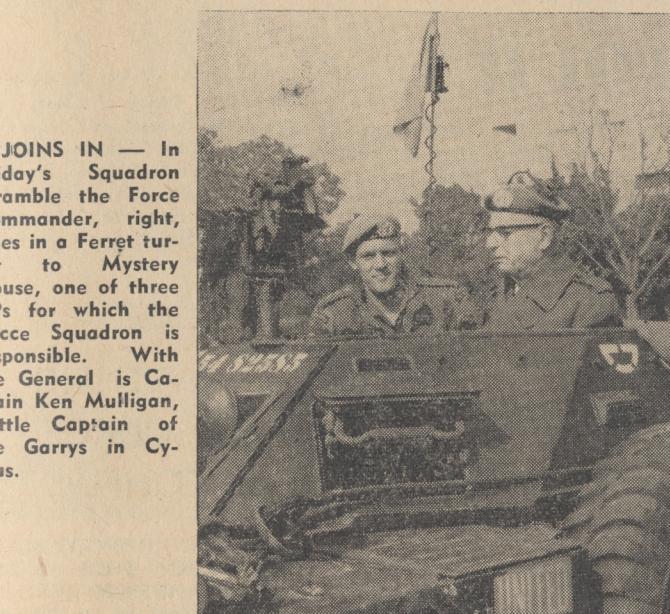

1. Escorting the Nicosia-Kyrenia convoy four times daily.
2. Area surveillance of Kyrenia District.
3. Interpositional defence on the 'green line' in Nicosia.
4. Mobile reserve for Kyrenia District.
5. Mobile reserve for the UN Force anywhere on the island.

Since taking up these duties the Squadron has escorted (through Jan. 19) 37,673 people in 10,615 vehicles on 396 convoys. The largest convoy to date was 106 vehicles on November 27 last year.

In addition the Squadron

SURGEON-GENERAL ARRIVES — Surgeon Rear-Admiral Walter J. SEAN MAC EOIN

Lieutenant-General Sean Mac Eoin needs little introduction to United Nations personnel as he commanded the UN Peace Force in the Congo from January 1961 until March 1962 and also headed an inspection mission to the Gaza Strip in 1965. He joined the Army in 1930 and has had an outstanding military career as a unit commander, instructional officer in the Irish Military College and as a staff officer. He became Chief of Staff as a Major-General in 1960 and was promoted to his present rank the following year. His term as Chief of Staff was extended last April. A native of Cooley, Co Louth, General Mac Eoin at present lives in Dublin.

The Committee is to report to a special session of the General Assembly which will be held not later than April. Opening this week's inaugural meeting, the Secretary-General stressed the historic importance and extraordinary difficulties of the task which had been given to the Committee. He expressed confidence that the result of its efforts would help the appropriate UN bodies to arrive at constructive decisions leading to the just and peaceful solution desired by all.

U Thant recalled that the Committee was set up when the General Assembly decided at its last session to terminate South Africa's League of Nations mandate over South-

West Africa and to place the territory under the direct responsibility of the United Nations.

The Assembly acted on the basis of its finding that South Africa had failed to fulfil her obligations to ensure the moral and material well-being of the people of South-West Africa. South Africa, who has defended her apartheid policies as being in the best interests of all the inhabitants, has taken the position that she is not answerable to the UN for her administration of the territory, and has said that she would resist with all her power any UN attempt at a take-over.

The Secretary-General recalled that the question of South-West Africa had been considered at every session of the General Assembly, beginning with the first in 1946, and that no less than 76 resolutions had been adopted on the subject by that body.

U Thant said that all the efforts of the world Organization had been directed toward persuading South Africa to co-operate with the UN in measures to enable the people of the territory to exercise the rights set forth in the Charter. Had South Africa co-operated, he said, the Committee would not have been faced with its present task.

NARASIMHAN LEAVES ON ASIAN TOUR

UNITED NATIONS UNDER-SECRETARY C.V. NARASIMHAN LEFT NEW YORK LAST WEEK ON A TOUR OF several Asian capitals on United Nations matters. His first stop will be Tokyo for talks with the Government of Japan on assistance for the development programme for the Mekong River Basin in South-East Asia.

He will then proceed to Manila for discussions with the President of the newly established Asian Development Bank, and will also call on the President and Foreign Minister of the Philippines.

Mr. Narasimhan will go on to Bangkok to discuss matters relating to the UN Economic Commission for Asia and Far Far East and the De Ribbing Mission. (Her-

bert de Ribbing, a Swedish diplomat, was designated by the Secretary-General last August as his Special Representative to help alleviate tension between Cambodia and Thailand. His appointment was for a six-month period. The question of the extension of the mission has been under discussion in recent weeks).

Following his visit to Bangkok, Mr. Narasimhan will proceed to Vientiane, Laos, to attend the Mekong Committee meeting which opens on 1 February. He will then travel to Phnompenh, Cambodia, for discussions regarding the De Ribbing Mission.

The Under-Secretary will also hold consultations in New Delhi with the Government of India, and will return to New York on 24 February, following a brief holiday.

UN SECRETARIAT'S AID FOR FLORENCE FLOOD FUND

UNESCO REPORT

APARTHEID IS SOURCE OF CONFLICT

A UNESCO REPORT MADE PUBLIC THIS WEEK SAID APARTHEID WAS the major source of racial and group conflict in South Africa. It said that poor educational facilities for non-whites, the limited range of subjects offered them in schools, over-crowding and poor teacher training were among the practices which kept Africans at the most menial level of society.

The report concluded that "separate development", as practiced in South Africa, did not mean equality between the various ethnic groups in any of the areas studied by UNESCO.
